Award Details

Club Championship Ribbons

In the absence of the club championships this year (normally run on the last 2 competition nights of the season) we have made the decision to award 1st, 2nd, 3rd place ribbons for each event to the athletes with the season best performances for each age group/gender.

AGE CHAMPION

This award is based purely on placing and attendance of all non-handicap events throughout the season. Athletes are awarded points based on their finish position in each event as well as points for event attendance. The total is calculated at the end of the season and trophies awarded for the top 3 in each age group/gender.

POINT SCORE CHAMPION

The “Point Score” award is based on Personal Bests achieved, participation/attendance and results in handicap events in each age group/gender. It essentially rewards athletes for improvement throughout the season and participation.

DISTANCE AWARD – SWARZES MEDAL

The 1500m and 3000m fun run events are used to calculate the winners of the Swarzes medal. Top 3 based on PB’s and attendance will receive medals.

ATHLETE OF THE YEAR

5 Females and 5 Males will be nominated to receive this award with 1 winner of each gender to be announced. To be eligible for this award you must have competed in at least 50% of the season competition nights. An athlete cannot win this award more than once. This award has a long history (est 1967) and is awarded to the athlete who represents the club best, both at club nights and at meets outside of the club. It need not be awarded to the most successful athletes, but they must bring something special to the club and demonstrate the following:

- Achievement;
- Sportsmanship;
- Club Spirit;
- Fairplay;
- Passion; and
- Respect.
